EXPERIENCE

Rabbit Finance, Bangkok – *Marketing Intern*

JUN 2018 – AUG 2018

- Created 20 marketing context, including new banners and ad campaigns which helped bring in about 30-50 leads per ad campaign
- Research and study the clients products by comparing and contrasting with existing similar product which show the clients our preparedness and helped bring in 2 new clients
- Assisted in communication between the clients, regarding their needs and ideas, and the designers, who create the ads and banners. This allowed the company to bring in new clients while tending to existing clients needs
- Improve communication, organization, leadership, and research skills
- Learn to work under pressure and cope with a heavy workload

Purdys Chocolatier, Vancouver – *Retail*

SEPT 2018 – SEPT 2019

- Deal with at least 10 customers per day, responsible for selling and providing exceptional customer service, which help the company to sustain old customers and bring in new ones
- Help deal with difficult customers which improved my problem solving skills and the ability to adapt to difficult situations
- Developed communication and time management skills from communicating with customers and coworkers and balancing work and school

EDUCATION
